SILENT AUCTION/DONOR FORM

FRIDAY, SEPTEMBER 27, 2024 | NICOLLET ISLAND PAVILION

The Minnesota Dental Foundation is a 501(c)(3) not-for-profit foundation (TIN: 41-1927049) whose mission is to eliminate unmet oral health needs of children and adults in our state.

We currently have eight different programs to help fulfill our mission. For example, we provide grants to non-profits who have an interest in oral care to the underserved, and support projects and programs throughout our communities such as Give Kids a Smile, providing free dental care to children in need; Donated Dental Services, providing free comprehensive dental care to people with disabilities or who are elderly or medically fragile in private dental clinics; or the Mission of Mercy, a massive temporary dental clinic providing free dental care over a two-day period. The next Mission of Mercy will take place June 7-8, 2024 in Duluth.

You can help us provide support to those in need by contributing an item to our Silent Auction. We anticipate that over 300 guests will attend our 2024 OneSmile Gala, mostly dentists and friends of dentistry who share in our goal to eliminate unmet dental needs of the underserved in Minnesota.

For more details and registration information, please visit our website: information at mndental.org/gala or contact the Foundation at foundation@mndental.org.

Together, we CAN make a difference!
